

# SUMMER CAMP 2011

Taught By: Jacque Nunez, a Juaneño/Acjachemen descendant and 20-year teacher.

## SUMMER ANIMAL CAMP *(Offered 3 Times)* | 9 AM - 1 PM

CAMP 1: July 18th thru July 22nd | CAMP 2: July 25th thru July 29th  
CAMP 3: August 8th thru August 12th

Join us for a week of fun, fascination and friendship as campers learn about the animals here at ZOOMARS and those who share our planet!

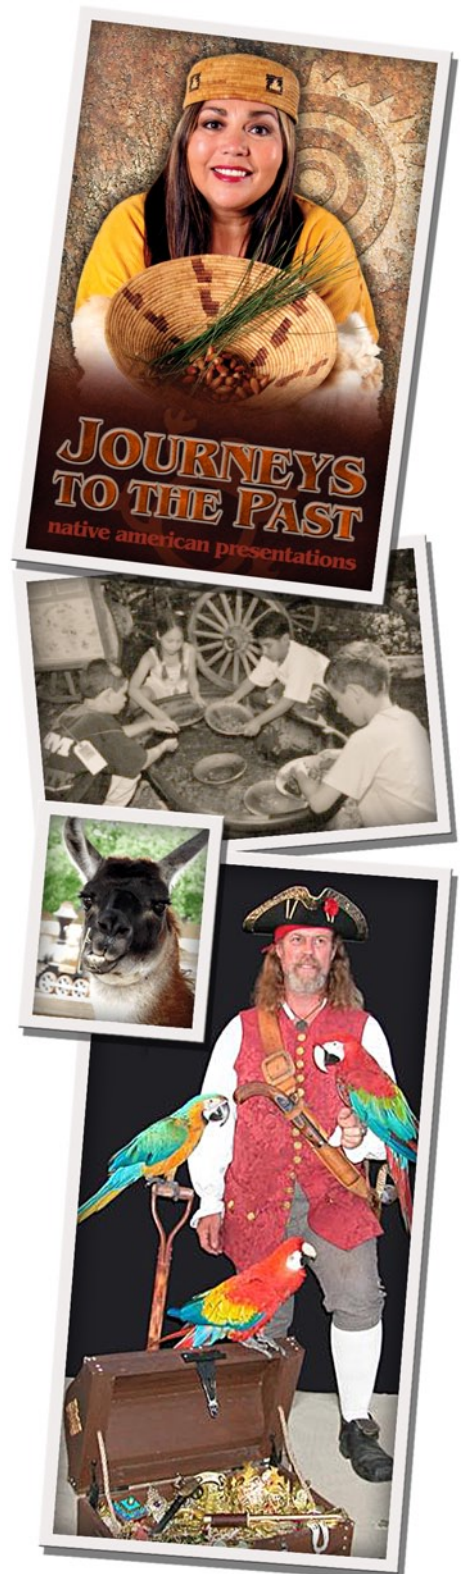

Through crafts, games, songs and storytelling the children will be enriched and enlightened each day about the amazing world of animals and what they teach us. Campers will work side by side with zookeepers to feed the animals. We'll also have special assignments like feeding the goats, scrubbing the shell of our giant tortoise and other surprises. Each day we'll have a special craft to take home.

Campers will also get to polish up their saddles for a special ride around Zoomars trail, watch the Ferrier fit the horses for shoes and learn about ranching, roping and horsemanship.

During the course of the week, special guests who do animal shows at ZOOMARS will be dropping by like The Lizard Wizard who will amaze us with her collection of radical reptiles, visited by a real beekeeper who will show us where honey comes from and a Native American dancer who will show us how recycled feathers are sacred in the ancient dance.

Miss Jacque, the camp's director and Juaneno Indian, will talk about Her family's experiences growing up right here on the zoo's historical grounds. She'll share stories about how these early settlers lived in harmony with Mother Earth and the importance of animals in Native American culture. Of course everyone will get to enjoy all the fun ZOOMARS has to offer as they pet, feed, ride & slide while spending lots of cuddle time with the guinea pigs.
